

# First Data Global Leasing

## Cost-effective solutions for POS equipment leases

First Data specializes in providing cost-effective options for leasing point-of-sale equipment. As an industry leader, First Data Global Leasing provides world-class leasing solutions to Agents, ISOs and bank partners in support of their clients.

## An industry leading partner

As a business unit of First Data, Global Leasing is uniquely positioned to offer:

- Competitive programs designed to build your client base and drive revenue
- The strength and scale of First Data's industry leading payment enterprise
- Superior customer service leveraging cutting-edge technology

## Customer-first mission

Global Leasing embraces a customer-first mission to deliver merchant-friendly, flexible programs that meet the day-to-day needs of our partners.

- Dedicated relationship management support to ensure personalized service
- Training and implementation programs customized to support your operation

## Global reach, local expertise

First Data is dedicated to the success of your leasing program, no matter how large or small. Providing leasing solutions to over 700,000 clients in the US, UK, Canada and Puerto Rico, First Data has the scale and cross-border expertise to become your global, single-source provider for POS equipment leasing.

## When speed matters

First Data has invested in a state-of-the-art leasing infrastructure designed to provide application approvals within 2 hours of submission on average. User-friendly self-scoring and other innovations that speed funding include:

- 24 hour funding: We deliver funding of commenced leases within 24 hours of application approval
- Online credit scoring tool provides the self-scoring you need for immediate credit decisions
- Web-based tools for immediate access to vital metrics:
  - Pipeline
  - Credit mix

## Why First Data?

Around the world every day, First Data makes payment transactions secure, fast and easy for merchants, financial institutions and their customers. We leverage our unparalleled product portfolio and expertise to deliver processing solutions that drive customer revenue and profitability. Whether the payment is by debit or credit, gift card, check or mobile phone, online or at the point of sale, First Data goes beyond the transaction to help you maximize value for your business.
